Parking on the Chicago Campus

For more information, please visit http://www.univsvcs.northwestern.edu/Chicago_parking/2008-09cparking.pdf

Discounted parking validation in certain lots on campus during the AP Summer Institute will be available for purchase after registration. Parking validation costs \$60 for a five-day pass and must be requested by June 26th. Participants who wish to purchase a parking pass must deliver their [Parking Request Form](#) (indicating the workshop and session for which they are registered), along with a separate check for \$60.00 (payable to Northwestern University), to the Office of the Summer Session no later than Friday, June 26, 2009. You will receive an email confirmation on Thursday, July 2, that your request was received. Only participants who are registered for the AP Summer Institute may request a discounted parking validation. Passes will be distributed at check-in to registered requests only. Separate Parking Validation Request Forms and separate checks are required for those needing parking passes for both Session One and Session Two. Please send or hand-deliver your request form to:

**AP Summer Institute Parking Requests
Northwestern University
Office of the Summer Session
405 Church Street
Evanston, Illinois 60208**

Please note: Requests for discounted parking validations received after the June 26 deadline will not be fulfilled, and participants will be responsible for making their own parking arrangements. Purchase of a parking pass does not guarantee a parking spot. Parking passes will not be available for purchase through the Summer Session Office or the School of Continuing Studies during the [AP Summer Institutes](#).

Parking (up to 24 hours) is available at either of two University garages on Northwestern's Chicago campus: the 222 E. Huron Self-Park designated as "Lot C", or the 321 E. Erie parking structure, designated as "Lot D".

Attire

The AP Summer Institute suggests summer business casual attire. The temperature in Wieboldt Hall can fluctuate; we suggest that you bring layered clothing to adjust to temperature changes. Local weather information for Chicago is available through the website:

<http://www.weather.com/outlook/recreation/ski/local/60611>

Dining on campus and in Chicago

Wieboldt Hall offers a number of options for dining and snack purchases, including Starbucks, Jazzman's, Pandini's, Recovery Room Café, Harry's Café and Kellogg Café. Check out this website for what's available:

<http://www.northwestern.edu/nucuisine/retail/index.html>

Chicago has a wide variety of excellent restaurants within walking distance of the Northwestern Campus. A guide to Chicago restaurants by cuisine is found at this website:
